

CHARTER OF THE BOARD OF DIRECTORS

I. PURPOSE

This charter describes the role of the Board of Directors (the "**Board**") of Aimia Inc. (the "**Corporation**").

This charter is subject to the provisions of the Corporation's articles of incorporation and by-laws and to applicable laws. This charter is not intended to limit, enlarge or change in any way the responsibilities of the Board as determined by such articles, by-laws and applicable laws. Directors are elected or appointed by the shareholders of the Corporation and together with those appointed to fill vacancies or appointed as additional directors throughout the year, collectively constitute the Board.

II. ROLE

The Board is responsible for the stewardship of the Corporation and its business and is accountable for the performance of the Corporation.

The Board shall establish the overall policies for the Corporation, monitor and evaluate the Corporation's strategic direction, and retain plenary power for those functions not specifically delegated by it to its Committees or to management. Accordingly, in addition to the duties of directors of a Canadian corporation as prescribed by applicable laws, the Board shall supervise the management of the business and affairs of the Corporation with a view to evaluate, on an ongoing basis, whether the Corporation's resources are being managed with integrity and in a manner consistent with ethical considerations and stakeholders' interests and in order to enhance shareholder value. In discharging their duties, directors must act honestly and in good faith, with a view to the best interests of the Corporation. Directors must exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

III. COMPOSITION

Selection

The Board shall be comprised of that number of directors as shall be determined from time to time by the Board upon recommendation of the Governance and Nominating Committee of the Board.

The Governance and Nominating Committee shall maintain an overview of the desired size of the Board, the need for recruitment and the expected skill-set of new candidates. The Governance and Nominating Committee shall review and recommend to the Board candidates for nomination as directors of the Corporation. The Board shall approve the final choice of the candidates that are to be elected as directors of the Corporation by its shareholders.

Board members must have an appropriate mix of skills, knowledge and experience in business and an understanding of the industry and the geographical areas in which the Corporation operates. Directors selected should be able to commit the requisite time for all of the Board's business.

Chairman

A Chairman of the Board shall be appointed by the Board. The Board currently believes that it is in the best interest of the Corporation and its shareholders that the offices of Chairman of the Board and Chief Executive Officer (currently the Group Chief Executive) be separate.
