GENERAL DEVELOPMENT OF THE BUSINESS

HISTORY

On February 1, 2018, Aimia announced that it had sold the Nectar loyalty program and related assets (including the Nectar trademarks, Aimia's Intelligent Shopper Solutions U.K. and Intelligent Research businesses and a 50% equity stake in its i2c joint venture with Sainsbury's) to J Sainsbury plc. ("**Sainsbury's**") for gross consideration of approximately \$105 million (£60 million). Along with the sale of the Nectar business, Aimia also transferred to Sainsbury's approximately \$183 million (£105 million) of cash providing coverage against the Nectar redemption liability. In connection with the transaction, Aimia reduced its overall debt level with a \$100 million repayment on the Credit Facility made at closing and the overall size of the Credit Facility was reduced to \$208 million. In addition, Aimia agreed to certain amendments to the Credit Facility.

On November 26, 2018, Aimia announced that it had entered into a definitive share purchase agreement with Air Canada for the purchase by Air Canada of all of the issued and outstanding share capital of Aimia Canada Inc. for an all cash purchase price of \$450 million on a cash-free, debt-free basis (the "**Aeroplan Sale**"). The Corporation also announced that Aimia's Board of Directors had formed a special committee of independent directors for the purpose of reviewing and evaluating the Corporation's future strategic direction, including as a leading player in loyalty management, and receiving and considering Management recommendations with respect thereto.

On December 24, 2018, Aimia announced that the Aeroplan Sale cleared the applicable regulatory requirements, and on January 8, 2019, Aimia announced that shareholders voted to approve the Aeroplan Sale, as well as the reduction of the stated capital of the Corporation's common shares (the "**Common Shares**") to an aggregate of no less than \$1,000,000. On January 10, 2019, Aimia announced the completion of the Aeroplan Sale, for gross transaction proceeds of \$497 million, after favourable working capital adjustments of \$47 million. The Corporation also announced that it had used approximately \$308 million of the Aeroplan Sale proceeds to repay and terminate the Corporation's credit facility and to defease and redeem all of Aimia's outstanding senior secured notes. A further \$100 million of the proceeds were deposited into a restricted, interest-bearing account jointly controlled by Aimia and Air Canada to reflect uncertainty around potential future indemnity obligations related to an ongoing tax audit (the "**Aeroplan Restricted Funds**"). On June 3, 2019, the Corporation announced that it and Air Canada had finalized all post-closing adjustments, resulting in the payment by Air Canada to the Corporation of \$19 million, bringing the total purchase price to \$516 million.

On February 14, 2019, Aimia completed the sale of its investment in Fractal Analytics for cash consideration of \$9.8 million (US \$7.4 million).

On March 28, 2019, Aimia announced that its board of directors (the "**Board of Directors**") through a special committee of independent directors concluded its previously announced evaluation of the Corporation's future strategic direction and capital allocation priorities. Under the new strategic direction, Aimia would evolve its positioning within the growing loyalty and travel markets through a combination of organic growth and sector-focused M&A. The strategic business plan would build on Aimia's strong existing platforms, unparalleled industry expertise and experience, ability to drive operational improvement as well as its excellent liquidity, ready-to-use capital and long-term approach.

On March 28, 2019, Aimia also announced that its Board of Directors approved a substantial issuer bid of up to \$150 million (the "**\$150 Million SIB**") to repurchase a portion of the Corporation's outstanding common shares for cancellation. The \$150 Million SIB expired on May 21, 2019, and 34,883,702 common shares were repurchased by the Corporation for cancellation.

On June 3, 2019, Aimia received approval from the TSX and announced its intention to repurchase for cancellation up to 8,879,302 of its common shares during the period from June 6, 2019 to June 5, 2020, through a Normal Course Issuer Bid program.

On August 26, 2019, Aimia announced the sale of approximately half of its investment in Cardlytics Inc. and sold the remainder of its stake over the course of the month of October, 2019.

On November 18, 2019, Aimia announced that its Board of Directors approved concurrent but separate substantial issuer bids to repurchase for cancellation (i) up to \$62.5 million of its common shares (the “**\$62.5 Million Common SIB**”), (ii) up to \$31.25 million of its Series 1 Preferred Shares and its Series 2 Preferred Shares (the “**Series 1&2 Preferred Share SIB**”), and (iii) up to \$31.25 million of its Series 3 Preferred Shares (the “**Series 3 Preferred Share SIB**”, and together with the Series 1&2 Preferred SIB, the “**Preferred Shares SIB**”). The Preferred Shares SIB expired on December 27, 2019, and 1,032,090 Series 1 Preferred Shares, 784,770 Series 2 Preferred Shares and 1,644,737 Series 3 Preferred Shares were repurchased by the Corporation for cancellation. On December 31, 2019, the \$62.5 Million Common SIB expired and 14,705,863 common shares were repurchased by the Corporation for cancellation.

On November 18, 2019, the Corporation announced that it had reached a comprehensive settlement agreement with Mittleman Brothers, LLC providing for the dismissal of all previously disclosed legal proceedings pending between the parties thereto as well as a governance process with a view to reconstituting the Board of Directors no later than February 28, 2020 in advance of the next annual meeting of shareholders. All such legal proceedings between Mittleman Brothers, LLC, the Corporation and its former directors were dismissed and the parties entered into a customary and mutual release agreement. On February 25, 2020, the Corporation announced the reconstitution of the Board of Directors, with the departure of six independent directors and the appointment of six new, non-management directors.

On April 29, 2020, the Corporation announced that following a strategic review process undertaken by the Board of Directors through an ad hoc strategic review committee, the Board of Directors approved a strategy focused on long-term investments in public and private companies, on a global basis, through controlling or minority stakes. In light of the skills required by the change of strategy, the Corporation also announced the appointment of Philip Mittleman as interim Chief Executive Officer of the Corporation.

Also on April 29, 2020, the Corporation announced that it had entered into an agreement with Kognitiv Corporation (“**Kognitiv**”) to contribute the Corporation’s Loyalty Solutions business with Kognitiv in exchange for 12% convertible preferred shares (“**Kognitiv Preferred Shares**”) of Kognitiv. Concurrent with the merger transaction, the Corporation invested approximately an additional \$21 million in Kognitiv Preferred Shares. Following the contribution of cash and Aimia’s Loyalty Solutions business, the Corporation’s stake in Kognitiv was 49.3% at that time.

On April 29, 2020, the Corporation also announced that it had signed a definitive agreement to acquire Mittleman Brothers, LLC (the “**MB Acquisition**”), which owned Mittleman Brothers Investment Management, an SEC-registered investment adviser that provides discretionary portfolio management to institutional investors and high-net-worth individuals, for a purchase price of \$6.3 million in cash and 4,173,610 shares of Aimia stock, of which 2,667,667 shares were held back for earnout and performance related targets. On June 19, 2020, the Corporation announced the closing of the MB Acquisition, and the appointment of Philip Mittleman as permanent Chief Executive Officer of the Corporation, and the appointment of Christopher Mittleman as Chief Investment Officer of the Corporation and to the Board of Directors.

On May 28, 2020, the Corporation announced that an injunction application had been filed with the Quebec Superior Court (Civil Division) in the District of Montreal (the “**Court**”) against it and Kognitiv seeking to enjoin the previously announced proposed combination of the Corporation’s Loyalty Solutions business with Kognitiv on the basis that the proposed transaction would allegedly result in breaches of certain non-competition and confidentiality provisions entered into by Aimia in connection with the sale of the Aeroplan program. On June 18, 2020, the Corporation announced that the Court issued a decision in favour of the Corporation dismissing the application for injunctive relief. Having received the favourable decision from the Court, the Corporation and Kognitiv closed the previously announced transaction combining the Corporation’s Loyalty Solutions business with Kognitiv, making Aimia a minority shareholder in Kognitiv.

In May 2020, the Corporation invested \$76.2 million (HKD 419.6 million) to acquire 58,774,450 common shares of Clear Media Limited (“**Clear Media**”), representing a 10.85% ownership interest in the company. Those common shares were acquired at prevailing market rates through a series of common share purchases in the open market, which included 19.6 million common shares previously held through Mittleman Investment Management’s assets under management.

On June 8, 2020, Aimia received approval from the TSX and announced its intention to repurchase for cancellation up to 6,980,010 of its common shares during the period from June 10, 2020 to June 9, 2021, through a Normal Course Issuer Bid program.

On June 29, 2020, the Corporation announced that it signed a definitive agreement with Grupo Aeromexico S.A.B. de C.V. (“**Aeromexico**”) reflecting the parties previously announced agreement to make certain changes to the Shareholders Agreement between them and to the commercial agreement (the “**CPSA**”) between Aeromexico and PLM Premier, S.A.P.I. (“**PLM**”), the owner and operator of the Club Premier loyalty program, including: a 20-year extension of the CPSA; a 7-year option granted to Aeromexico to purchase Aimia’s 48.9% interest in PLM at an Adjusted EBITDA multiple of 7.5x, with a minimum purchase price of US\$400 million. As part of the transactions, PLM provided financial support to Aeromexico of US\$100 million in the form of a US\$50 million loan under the existing intercompany loan facility between them, and through pre-purchases of award tickets of US\$50 million.

On July 23, 2020, the Corporation announced that it had received the remaining funds totaling \$67 million out of the Aeroplan Restricted Funds after having fulfilled all of its related legal conditions.

On March 22, 2021, Aimia announced that it had entered into a binding Memorandum of Understanding with Capital A (formerly AirAsia) to sell its 20% equity stake in Capital A’s loyalty company BIGLIFE Sdn Bhd (“**BigLife**”) to be satisfied by 85.86 million new publicly traded ordinary shares of Capital A (CAPITALA.MK), representing an approximate equity stake of 2.2% of Capital A’s existing issued shares. The sale closed on June 28, 2021, and the fair value of the Capital A common shares received on that date was \$22.3 million (MYR75.1 million), resulting in a gain on disposal of equity-accounted investment of \$6.9 million. Including Capital A shares previously purchased by Aimia, as of the date of this Annual Information Form, Aimia owns a total of 119,906,709 shares representing an approximate 3.1% equity stake in Capital A.

On July 2, 2021, Aimia announced its intention to tender its entire stake in Clear Media consisting of 58,774,450 shares in the company as acceptance for the share alternative in the Offeror (as defined below), as jointly announced by Ever Harmonic Global Limited and Clear Media on July 5, 2021. The privatization of Clear Media was completed following the acquisition of all the remaining shares of Clear Media on September 27, 2021 by the consortium of investors through their special purpose vehicle (“**Offeror**”). As a

result, as of the date of this Annual Information Form, Aimia owns a 10.85% shareholding in the Offeror which now wholly-owns Clear Media. The listing of the shares of Clear Media on the Hong Kong Stock Exchange has been withdrawn.

On July 27, 2021, Aimia announced that it had invested \$44 million (US\$35 million) as the lead investor of the convertible preferred shares funding round for TRADE X, a global B2B cross-border automotive trading platform powered by its proprietary TRADE X ‘Brain’ data and analytics technology, at a US\$250 million pre-money valuation. On December 17, 2021, Aimia invested an additional \$31.6 million (US\$25.0 million) in a convertible note of TRADE X. This convertible note increased Aimia’s total capital invested in TRADE X to \$75.6 million. Aimia owns a 12.2% fully diluted stake in TRADE X as of December 31, 2021.

On October 4, 2021, Aimia announced that in conjunction with recent disclosures made in the bankruptcy proceedings of Aeromexico relating to PLM, it was in discussions with Aeromexico and its debtors regarding a potential transaction whereby Aimia would divest its 48.9% equity stake in PLM which would become a wholly-owned subsidiary of Aeromexico.

The transaction will be consummated pursuant to the joint chapter 11 plan of reorganization of Aeromexico and its affiliates that are also debtors in the Debtors’ chapter 11 bankruptcy cases pending in the United States Bankruptcy Court for the Southern District of New York, and is subject to approval by Mexican antitrust authorities. If all of the required closing conditions are satisfied or fulfilled, the proposed transaction is expected to close within six months from February 4, 2022.

THE BUSINESS

OVERVIEW

Aimia is a holding company with a focus on making long-term investments in public and private companies, on a global basis, through controlling or minority stakes.

The Corporation owns a portfolio of investments which include: a 48.9% equity stake in PLM Premier, S.A.P.I. de C.V. (PLM), owner and operator of Club Premier, the coalition loyalty program in Mexico that operates the Aeromexico Frequent Flyer program, a 10.85% stake in Clear Media Limited, one of the largest outdoor advertising firms in China, a 48.9% equity stake in Kognitiv, a B2B technology company enabling collaborative commerce, a 12.2% equity stake in TRADE X, a global B2B cross-border automotive trading platform as well as a wholly owned investment advisory business, Mittleman Investment Management, LLC.

STRUCTURE OF THE BUSINESS

For the year ended December 31, 2021, Aimia, through its own operations and those of its subsidiaries, currently operates two reportable and operating segments, namely Holdings and Investment Management.

HOLDINGS

Holdings includes Aimia's long-term investments in PLM (for which the Corporation entered into the Binding LOI with respect to its divestiture), Kognitiv, Clear Media and TRADE X, as well as minority investments in public company securities and limited partnerships.

PLM/ Club Premier

In December of 1991, Aeromexico launched Club Premier, the first loyalty program for a Mexican airline to promote loyalty among the airline's passengers and attract new customers. In September 2010, in connection with the Corporation's investment in the program, Aeromexico contributed the Club Premier program to PLM, and Aimia became a minority shareholder of PLM. In 2012, Aimia increased its stake in PLM to 48.9% and shares joint control with Aeromexico.

As of December 31, 2021, Club Premier had approximately 7.6 million members enrolled and is one of Mexico's largest travel loyalty programs.

The members of Club Premier can accumulate Premier Points in several ways, including through air travel and financial card usage. Club Premier charges its accumulation partners a fee per point. These are reported as Gross Billings.

Club Premier is a tiered program, attributing different benefits and redemption offerings depending on the frequency and source of points issuance.

American Express issues co-branded charge cards through which cardholders can accumulate Premier Points based on their charge card purchases. As of December 31, 2021, PLM also had Visa co-branded credit card agreements with Santander in Mexico that runs to 2026. PLM also partners with certain hotels and hotel chains, including Marriott, Hilton, Starwood and IHG, and with Hertz for car rentals under which Club Premier members accumulate Premier Points for each stay or rental. Other partners of the Club Premier program include Uber, G500, Gandhi, Linio, Palacio de Hierro, Mac Store, General Motors, TAG Heuer, among others. Club Premier members may also convert their points accumulated in certain other reward programs into Premier Points.

The accumulation of Premier Points when traveling on Aeroméxico, Aeroméxico Connect or other SkyTeam member airlines or Code-Share airlines is governed under a long term agreement with Aeromexico that extends through 2050 based on the definitive agreement signed with Aeromexico as announced on June 29, 2020, to extend the CPSA between Aeromexico and PLM, by 20-years.

Club Premier pays redemption partners the cost of rewards for points redeemed. Flight redemptions are the program's most popular redemption, with members able to access Aeromexico, Aeromexico Connect and other SkyTeam member airlines or code-share airlines flights and promotions. Club Premier members can also redeem their Premier Points for stays in thousands of hotels, as well as purchases of items, including electronics, toys and perfumes, through its eStore. Currently, Club Premier members can pay for items with Premier Points in stores such as Gandhi, and Mac Store.

Additionally, Club Premier Corporativo, PLM's corporate B2B loyalty program, offers benefits directly to businesses, allowing them to offer loyalty marketing services superior to other marketing alternatives, using Club Premier Points to attract and retain customers and stimulate demand for their products and services.

PLM continues to look for opportunities to expand the program and introduce innovative ways to generate revenue through the sale of Premier Points.

Kognitiv

Founded in 2008, Kognitiv is a B2B technology company redefining loyalty and empowering businesses to grow and transform with Collaborative Commerce. Kognitiv's platform and services enable businesses to build marketplaces and experiences through multi-enterprise collaboration with partners, suppliers, and distributors, while creating new value for consumers, enhancing access to data – including zero party data – and providing greater control of the consumer journey. In June 2020, the Corporation and Kognitiv closed the previously announced transaction combining the Corporation's Loyalty Solutions business with Kognitiv, making Aimia a minority shareholder in Kognitiv.

Clear Media Limited

Clear Media is the largest operator of bus shelter advertising panels in China, with leading market shares of more than 70% in top-tier cities, and a broad presence in the fastest growing cities across the country. Clear Media operates the most extensive standardized bus shelter advertising network in mainland China, with a total of more than 72,000 panels covering 24 cities as of December 31, 2021.

TRADE X

With headquarters based in Ontario, Canada, TRADE X is a global B2B cross-border automotive trading platform that connects buyers and sellers through an online marketplace powered by the TRADE X 'Brain' platform, a machine-learning, AI-driven technology which aids sellers in finding the world's highest bidders and gives buyers access to the best source markets. TRADE X charges a fee of between 4.5% to 6.0% per transaction to facilitate cross-border trading of pre-owned vehicles by authorized buyers and sellers of its platform, with all the complexities of international trade all managed by TRADE X.

TRADE X also operates a wholesale distribution division, TradeXpress, which brings vehicles that are ready for immediate delivery to new markets to help establish trust and brand presence.

INVESTMENT MANAGEMENT

Investment Management includes Mittleman Investment Management, LLC (“MIM”), a U.S. Securities and Exchange Commission registered investment adviser that provides discretionary portfolio management to institutional investors and high-net-worth individuals.

Mittleman Investment Management

MIM pursues superior returns through long-term investments in what it deems to be severely undervalued securities, while maintaining its focus on limiting risk. MIM seeks to mitigate risk, which it defines as the probability of the long-term loss of capital, by investing in businesses that are proven franchises with durable economic advantages, evidenced by a well-established track record of substantial free cash flow generation over complete business cycles, and only when the very low valuation at which the investment is made provides a significant margin of safety. MIM employs a concentrated, long-term investment approach, typically holding between 10 and 20 positions. Investments are made globally, with the historical average of foreign holdings representing approximately 50% of the strategy. Unconstrained by capitalization parameters, MIM gravitates towards smaller market cap companies where the firm has identified the greatest disparities between market price and its proprietary estimate of fair value. Large cap companies are also considered, but only when priced attractively enough to warrant inclusion in the strategy. MIM believes its ability to go wherever the best risk/reward ratios appear to be available, in companies small and large, domestic and international, is a distinct advantage over other investment managers which operate within a more restrictive investment universe.

COMPETITION

Aimia operates in a competitive environment, based on a variety of factors such as investment performance, brand recognition, business reputation, and financial strength. Notwithstanding the current landscape, Aimia believes its competitive strengths, including its investment strategy which is unconstrained by sector or geographic restrictions, long-term investment approach, permanent capital structure, and sizeable capital and operating tax losses, along with its lean corporate structure and experienced management team, differentiate it from its peers and provide for a highly effective platform to realize its strategic objectives.

EMPLOYEES

Our business relies on highly skilled employees who are at the heart of Aimia’s long-term business model. Aimia had 18 employees as of December 31, 2021, including MIM employees.

FACILITIES

In Canada, Aimia leases office space in Toronto, Ontario, where its head office is located, and in Montreal, Quebec. In the U.S., Aimia’s main office is in Melville, New York. All of the above leases are at market rates.

ENVIRONMENTAL

Aimia is not engaged in any activities that are subject to material environmental risk. Aimia has not identified any existing or potential environmental hazards at any of its leased facilities, nor has it received any inquiry or notice that has resulted, or may reasonably be expected to result in, actual or potential proceedings, claims, lawsuits or losses related to environmental liabilities.

IMPACT OF COVID-19 ON THE BUSINESS

Since the outbreak of the coronavirus pandemic in 2020, we have seen the impact that the COVID-19 pandemic is having on human health, the global economy and associated government measures to curb the spread of the virus, which includes varying degrees of self-quarantine and border closures. Aimia has been addressing the COVID-19 situation, working to mitigate the potential impacts on its employees and business. Aimia has the ability to perform its activities as a holding company by working remotely without significant disruption. However, the pandemic is impacting the operations of our investments or certain of their partners to various degrees. Please see the section entitled “COVID-19 Impact Update” included in the 2021 MD&A. for more details. The 2021 MD&A is available on SEDAR at www.sedar.com.

RISKS AND UNCERTAINTIES AFFECTING THE BUSINESS

For a discussion of the risks and uncertainties to which the results of operations and financial condition of Aimia are subject, please see the section entitled “*Risks and Uncertainties Affecting the Business*” included in the 2021 MD&A. The 2021 MD&A is available on SEDAR at www.sedar.com.

In the event of an insufficiency of property and assets to pay in full the amounts which the holders of Common Shares are entitled to receive upon such liquidation, dissolution or winding-up, the holders of Common Shares shall participate rateably among themselves in accordance with the amounts to which they are respectively entitled upon such liquidation, dissolution or winding-up.

PREFERRED SHARES

The directors of Aimia may, at any time and from time to time, issue the Preferred Shares in one (1) or more series, each series to consist of such number of shares as may, before issuance thereof, be determined by the directors. The directors may from time to time fix, before issuance, the designation, rights, privileges,

preferences, restrictions, conditions and limitations attaching to the Preferred Shares of each series, the whole subject to the issuance of a certificate of amendment in respect of articles of amendment in the prescribed form to designate a series of shares.

The holders of the Preferred Shares shall not be entitled to receive notice of, nor to attend or vote at meetings of the shareholders of Aimia other than (i) as provided for in the CBCA, and (ii) as have been provided for in the rights, privileges, restrictions and conditions attached to the Series 1 Preferred Shares, the Series 2 Preferred Shares, the Series 3 Preferred Shares and the Series 4 Preferred Shares, or as may be provided for in the rights, privileges, restrictions and conditions attached to any series of preferred shares created by the Board of Directors, but in such cases, voting rights shall be attached to the preferred shares of such series if, and only if, Aimia fails to pay a certain number of dividends, as set out in such rights, privileges, restrictions and conditions.

The holders of the Preferred Shares shall be entitled to receive, as and when declared by the directors of Aimia, in preference and priority to any dividends on the Common Shares of Aimia and any other shares of Aimia ranking junior to the Preferred Shares, dividends which may be paid in money, property or by the issue of fully paid shares in the capital of Aimia.

In the event of the liquidation, dissolution or winding-up of Aimia or other distribution of assets of Aimia among Shareholders for the purpose of winding-up its affairs, the holders of the Preferred Shares shall, before any amount shall be paid to or any property or assets of Aimia distributed among the holders of the Common Shares or any other shares of Aimia ranking junior to the Preferred Shares, be entitled to receive an amount equal to the consideration received by Aimia upon the issuance of such shares together with, in the case of cumulative Preferred Shares, all unpaid cumulative dividends (which, for such purpose, shall be calculated as if such cumulative dividends were accruing from day to day for the period from the expiration of the last period for which cumulative dividends have been paid, up to and including the date of distribution) and, in the case of non-cumulative Preferred Shares, all declared and unpaid non-cumulative dividends, but shall not be entitled to share any further in the distribution of the property or assets of Aimia.

The above restrictions contained in the terms of the Preferred Shares render these shares not ideal for use as a takeover defense. Specifically, the fact that the Preferred Shares are non-voting except in certain limited circumstances where Aimia fails to pay a certain number of dividends make them unlike unconstrained “blank cheque” preferred shares.

Series 1 Preferred Shares and Series 2 Preferred Shares

Holders of the Series 1 Preferred Shares were entitled to receive fixed cumulative preferential cash dividend, as and when declared by the Board of Directors of Aimia, payable quarterly on the last business day of each of March, June, September and December at an annual rate of 6.50%, or \$1.625 per Series 1 Preferred Share, for the initial five-year period ending on March 31, 2015. The dividend rate was reset on March 31, 2015, and again on March 31, 2020, and will be reset every five years thereafter at a rate equal to the sum of the five-year Government of Canada bond yield plus 3.75%. The current annual dividend rate is 4.802%. On March 31, 2015 and on each March 31 every fifth year thereafter, Aimia may, at its option, redeem the Series 1 Preferred Shares in whole or in part by the payment of \$25.00 in cash per Series 1 Preferred Share together with all declared and unpaid dividends to but excluding the date fixed for redemption. The Series 1 Preferred Shares do not have a fixed maturity date and are not redeemable at the option of the holders of the Series 1 Preferred Shares. On February 25, 2020, Aimia announced that it did not intend to exercise its right to redeem all or any number of the currently outstanding Series 1 Preferred Shares on March 31, 2020. As a result of its decision not to redeem all or any number of the Series 1 Preferred Shares, and subject to certain conditions set out in the rights, privileges, restrictions and conditions attaching to such shares, the holders of the Series 1 Preferred Shares had the right to convert all or any number of their Series 1 Preferred Shares, on

a one-for-one basis, into Series 2 Preferred Shares on March 31, 2020. On March 17, 2020, Aimia announced that none of the Series 1 Preferred Shares would be converted into Series 2 Preferred Shares since there would be fewer than 1,000,000 Series 2 Preferred Shares outstanding on March 31, 2020, after having taken into account all Series 1 Preferred Shares tendered for conversion into Series 2 Preferred Shares and all Series 2 Preferred Shares tendered for conversion into Series 1 Preferred Shares.

Holders of the Series 2 Preferred Shares were entitled to receive quarterly floating rate cumulative preferred cash dividends, as and when declared by the Board of Directors of Aimia, payable on the last business day of each of March, June, September and December in each year. On any Series 2 Conversion Date (as hereinafter defined) on and after March 31, 2020, Aimia may, at its option, redeem the Series 2 Preferred Shares in whole or in part by the payment of \$25.00 in cash per Series 2 Preferred Share together with all declared and unpaid dividends to but excluding the date fixed for redemption. On any date after March 31, 2015, that is not a Series 2 Conversion Date (as hereinafter defined), Aimia may, at its option, redeem all or any part of the outstanding Series 2 Preferred Shares by the payment of an amount in cash of \$25.50 per Series 2 Preferred Share together with all declared and unpaid dividends to but excluding the redemption date. The Series 2 Preferred Shares do not have a fixed maturity date and are not redeemable at the option of the holders of the Series 2 Preferred Shares. On February 25, 2020, Aimia announced that it did not intend to exercise its right to redeem all or any number of the currently outstanding Series 2 Preferred Shares on March 31, 2020. As a result of its decision not to redeem all or any number of the Series 2 Preferred Shares, and subject to certain conditions set out in the rights, privileges, restrictions and conditions attaching to such shares, the holders of the Series 2 Preferred Shares had the right to convert all or any number of their Series 2 Preferred Shares, on a one-for-one basis, into Series 1 Preferred Shares on March 31, 2020. On March 17, 2020, Aimia announced that all of the Series 2 Preferred Shares would be converted into Series 1 Preferred Shares, since there would be fewer than 1,000,000 Series 2 Preferred Shares outstanding on March 31, 2020, after having taken into account all Series 2 Preferred Shares tendered for conversion into Series 1 Preferred Shares.

In the event of the liquidation, dissolution or winding-up of Aimia or any other distribution of assets of Aimia among its Shareholders for the purpose of winding-up its affairs, subject to the prior satisfaction of the claims of all creditors of Aimia and of holders of shares of Aimia ranking prior to the Series 1 Preferred Shares and the Series 2 Preferred Shares, the holders of Series 1 Preferred Shares and Series 2 Preferred Shares will be entitled to payment of an amount equal to \$25.00 per share, plus an amount equal to all declared and unpaid dividends up to but excluding the date fixed for payment or distribution (less any tax required to be deducted and withheld by Aimia), before any amount may be paid or any assets of Aimia are distributed to the registered holders of any shares ranking junior to the Series 1 Preferred Shares and the Series 2 Preferred Shares. After payment of such amounts, the holders of Series 1 Preferred Shares and Series 2 Preferred Shares will not be entitled to share in any further distribution of the assets of Aimia.

Subject to applicable law, holders of Series 1 Preferred Shares and Series 2 Preferred Shares, in their capacity as holders thereof, will not be entitled to receive notice of, or to attend or to vote at, any meeting of Aimia's Shareholders, unless and until Aimia fails to pay dividends for any eight quarters. In the event that Aimia has not paid the dividends accrued and payable for any eight quarters, whether or not consecutive and whether or not such dividends have been declared, on the Series 1 Preferred Shares or the Series 2 Preferred Shares, as applicable, at the applicable dividend rate for such shares, the holders of shares of the relevant series will be entitled to receive notice of and to attend meetings of Shareholders of Aimia, other than meetings at which only holders of another specified class or series are entitled to vote, and to vote together with all of Aimia's other Shareholders entitled to vote at such meetings on the basis of one vote for each Series 1 Preferred Share or Series 2 Preferred Share held, as applicable. The voting rights of the holders of shares of the relevant series will forthwith cease upon payment by Aimia of all accrued but unpaid dividends on the shares of such series until such time as Aimia may again fail to pay the applicable dividend for any further eight quarters, in which case such voting rights will become effective again.

The Series 1 Preferred Shares and Series 2 Preferred Shares will rank on parity with all other Preferred Shares of Aimia and will rank prior to the Common Shares as to the payment of dividends and the distribution of the assets of Aimia in the event of the dissolution, liquidation or winding-up of the Corporation or any other distribution of the assets of Aimia for the purpose of winding-up its affairs.

The Series 1 Preferred Shares and Series 2 Preferred Shares are not currently rated by any rating agency.

Series 3 Preferred Shares and Series 4 Preferred Shares

Holders of the Series 3 Preferred Shares were entitled to receive fixed cumulative preferential cash dividend, as and when declared by the Board of Directors of Aimia, payable quarterly on the last business day of each of March, June, September and December at an annual rate of 6.25%, or \$1.5625 per Series 3 Preferred Share, for the initial five-year period to but excluding March 31, 2019. The dividend rate was reset on March 31, 2019, and every five years thereafter at a rate equal to the sum of the five-year Government of Canada bond yield plus 4.20%. The current annual dividend rate is 6.01%. On March 31, 2019, and on each March 31 every fifth year thereafter, Aimia may, at its option, redeem the Series 3 Preferred Shares in whole or in part by the payment of \$25.00 in cash per Series 3 Preferred Share together with all declared and unpaid dividends to but excluding the date fixed for redemption. The Series 3 Preferred Shares do not have a fixed maturity date and are not redeemable at the option of the holders of the Series 3 Preferred Shares. Holders of Series 3 Preferred Shares will have the right, at their option, to convert all or any of their Series 3 Preferred Shares into Series 4 Preferred Shares, on the basis of one Series 4 Preferred Share for each Series 3 Preferred Share, subject to certain conditions, on March 31, 2019, and on March 31 every fifth year thereafter. On February 25, 2019, Aimia announced that it did not intend to exercise its right to redeem all or any number of the currently outstanding Series 3 Preferred Shares on March 31, 2019. As a result of its decision not to redeem all or any number of the Series 3 Preferred Shares, and subject to certain conditions set out in the rights, privileges, restrictions and conditions attaching to such shares, the holders of the Series 3 Preferred Shares had the right to convert all or any number of their Series 3 Preferred Shares, on a one-for-one basis, into Series 4 Preferred Shares on April 1, 2019. On March 19, 2019, Aimia announced that none of the Series 3 Preferred Shares would be converted into Series 4 Preferred Shares since fewer than 1,000,000 Series 3 Preferred Shares were tendered for conversion during the conversion notice period.

Holders of the Series 4 Preferred Shares will be entitled to receive quarterly floating rate cumulative preferred cash dividends, as and when declared by the Board of Directors of Aimia, payable on the last business day of each of March, June, September and December in each year. On any Series 4 Conversion Date (as hereinafter defined) on and after March 31, 2024, Aimia may, at its option, redeem the Series 4 Preferred Shares in whole or in part by the payment of \$25.00 in cash per Series 4 Preferred Share together with all declared and unpaid dividends to but excluding the date fixed for redemption. On any date after March 31, 2019, that is not a Series 4 Conversion Date (as hereinafter defined), Aimia may, at its option, redeem all or any part of the outstanding Series 4 Preferred Shares by the payment of an amount in cash of \$25.50 per Series 4 Preferred Share together with all declared and unpaid dividends to but excluding the redemption date. The Series 4 Preferred Shares do not have a fixed maturity date and are not redeemable at the option of the holders of the Series 4 Preferred Shares. Holders of Series 4 Preferred Shares will have the right, at their option, on March 31, 2024, and on each March 31 every fifth year thereafter (each such date a “**Series 4 Conversion Date**”), to convert, subject to certain conditions, all or any of their Series 4 Preferred Shares, into Series 3 Preferred Shares, on the basis of one Series 3 Preferred Share for each Series 4 Preferred Share.

In the event of the liquidation, dissolution or winding-up of Aimia or any other distribution of assets of Aimia among its Shareholders for the purpose of winding-up its affairs, subject to the prior satisfaction of the claims of all creditors of Aimia and of holders of shares of Aimia ranking prior to the Series 3 Preferred Shares and the Series 4 Preferred Shares, the holders of Series 3 Preferred Shares and Series 4 Preferred Shares

will be entitled to payment of an amount equal to \$25.00 per share, plus an amount equal to all declared and unpaid dividends up to but excluding the date fixed for payment or distribution (less any tax required to be deducted and withheld by Aimia), before any amount may be paid or any assets of Aimia are distributed to the registered holders of any shares ranking junior to the Series 3 Preferred Shares and the Series 4 Preferred Shares. After payment of such amounts, the holders of Series 3 Preferred Shares and Series 4 Preferred Shares will not be entitled to share in any further distribution of the assets of Aimia.

Subject to applicable law, holders of Series 3 Preferred Shares and Series 4 Preferred Shares, in their capacity as holders thereof, will not be entitled to receive notice of, or to attend or to vote at, any meeting of Aimia's Shareholders, unless and until Aimia fails to pay dividends for any eight quarters. In the event that Aimia has not paid the dividends accrued and payable for any eight quarters, whether or not consecutive and whether or not such dividends have been declared, on the Series 3 Preferred Shares or the Series 4 Preferred Shares, as applicable, at the applicable dividend rate for such shares, the holders of shares of the relevant series will be entitled to receive notice of and to attend meetings of Shareholders of Aimia, other than meetings at which only holders of another specified class or series are entitled to vote, and to vote together with all of Aimia's other Shareholders entitled to vote at such meetings on the basis of one vote for each Series 3 Preferred Share or Series 4 Preferred Share held, as applicable. The voting rights of the holders of shares of the relevant series will forthwith cease upon payment by Aimia of all accrued but unpaid dividends on the shares of such series until such time as Aimia may again fail to pay the applicable dividend for any further eight quarters, in which case such voting rights will become effective again.

The Series 3 Preferred Shares and Series 4 Preferred Shares will rank on parity with all other Preferred Shares of Aimia and will rank prior to the Common Shares as to the payment of dividends and the distribution of the assets of Aimia in the event of the dissolution, liquidation or winding-up of the Corporation or any other distribution of the assets of Aimia for the purpose of winding-up its affairs.
