

## AIMIA PROVIDES REMINDER OF UPCOMING EXPIRATION OF SUBSTANTIAL ISSUER BID

**Toronto, December 16, 2024** – Aimia Inc. (TSX: AIM) (“**Aimia**” or the “**Company**”) today provided a reminder of its previously announced substantial issuer bid (the “**Offers**”) under which the Company has offered to purchase for cancellation up to 100% of its Cumulative Rate Reset Preferred Shares, Series 1 (the “**Series 1 Shares**”), Cumulative Rate Reset Preferred Shares, Series 3 (the “**Series 3 Shares**”) and Cumulative Floating Rate Preferred Shares, Series 4 (the “**Series 4 Shares**” and collectively with the Series 1 Shares and the Series 3 Shares, the “**Preferred Shares**”) in consideration for 9.75% senior unsecured notes (the “**2030 Notes**”). All amounts are denominated in Canada dollars.

The Offers will expire on **January 10, 2025** at 5 pm (Eastern Time) (the “**Expiry Time**”), unless withdrawn, extended or varied by the Company. Assuming that (i) the Offers are not withdrawn by the Company, (ii) the Expiry Time is not extended or varied by the Company, and (iii) all the conditions to the Offers are complied with (or waived), it is expected that the Preferred Shares tendered under the Offers will be taken-up and paid for by Aimia on or about January 14, 2025 (the “**Closing Date**”).

The Offers are based on the following exchange considerations:

- i. Series 1 Shares: \$17.00 per Series 1 Share;
- ii. Series 3 Shares: \$17.50 per Series 3 Share; and
- iii. Series 4 Shares: \$18.4375 per Series 4 Share.

The purchase price per Preferred share (the “**Purchase Price**”) will be paid per Series on the basis of:

- (i) the issuance of \$100 principal amount of 2030 Notes for each \$97 aggregate amount of Exchange Consideration, and
- (ii) where a Preferred Shareholder’s entitlement to 2030 Notes would result in the Preferred Shareholder receiving an amount of 2030 Notes that is not an integer multiple of \$100, such Preferred Shareholder will receive such Preferred Shareholder’s entitlement to the remaining amount satisfied through a cash payment equal to 100% of the remaining amount of 2030 Notes to which they would otherwise be entitled (the “**Cash Balance**”), upon the terms and subject to the conditions set forth in the offers to purchase (the “**Offers to Purchase**”), the issuer bid circular (the “**Circular**” and, together with the Offers to Purchase, the “**Offers and Circular**”), and in the accompanying letter of transmittal (the “**Letter of Transmittal**”) and notice of guaranteed delivery (the “**Notice of Guaranteed Delivery**”) and, collectively with the Offers and Circular and the Letter of Transmittal, the “**Offer Documents**”) to be sent to shareholders and filed with the applicable Canadian securities regulatory authorities and made available on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca).

The Substantial Issuer Bid marks the first initiative introduced as a result of Aimia’s strategic review process designed to unlock the Company’s value. The Offers provide Preferred Shareholders with an opportunity to realize all or a portion of their investment in the Corporation based on (i) the limited liquidity and perpetual nature of the Preferred Shares, (ii) the higher annual yield the 2030 Notes will provide relative to the current dividend (annualized) of each Series of Preferred Shares, (iii) the fixed maturity date of the 2030 Notes, and (iv) the accelerated liquidity available to holders of 2030 Notes in certain events. The Strategic Review Committee and the Board of Directors believe that the exchange of Preferred Shares for the 2030 Notes under the Offers for the Purchase Price represents an effective recapitalization of the Corporation and is in the best interests of the Corporation and its security holders.

Assuming that all holders of Preferred Shares tender to the Offers and subject to the assumptions detailed in the Offer Documents, the Offers will result in (i) approximately \$8 million in estimated annual cash savings when comparing the annual preferred dividends and Part VI.1 tax to the annual cash coupon interest payments, and (ii) approximately \$65 million gain on the transaction, based on the exchange value of the 2030 Notes and the carrying value of the Preferred Shares exchanged net of transaction fees. Aimia considers this transaction as accretive to holders of common shares as (i) it reduces cash outflows on an annual basis, (ii) it increases the net asset value for holders of common shares and (iii) provides a payment in kind option on the interest related to 2030 Notes.

The 2030 Notes will bear interest at an annual rate of 9.75% payable semi-annually in arrears on June 30 and December 31 in each year (or following Business Day) commencing on June 30, 2025. The 2030 Notes will mature on or about January 14, 2030, which represents five years after the anticipated Closing Date.

The 2030 Notes will not be listed on a securities exchange or quotation system and consequentially, there will be no market through which the 2030 Notes may be sold and depositing Preferred Shareholders may not be able to resell the 2030 Notes acquired under the Offers.

TD Securities Inc. is acting as financial advisor to Aimia with respect to the Offers.

This news release is for informational purposes only and does not constitute an offer to buy or the solicitation of offers to sell Preferred Shares. The formal offers to purchase the Preferred Shares in consideration for 2030 Notes are detailed in the Offer Documents.

The Offer Documents, which contain the terms and conditions of the Offers and instructions for tendering Preferred Shares, have been sent to registered shareholders and filed with the applicable Canadian securities regulatory authorities and made available on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca).

In light of the Canada Post workers' strike and the resulting disruption of mail services, the Company has been unable to mail the Offer Documents to beneficial (non-registered) holders. However, upon resumption of normal mail service, the Company intends to arrange for the mailing of the Offer Documents to the beneficial holders to be completed.

Beneficial owners can retrieve the Offer Documents on [www.sedarplus.ca](http://www.sedarplus.ca) or the Company's website at [www.aimia.com](http://www.aimia.com). Copies of the Offer Documents can also be obtained on request without charge from the Corporate Secretary of Aimia at its registered and head office at 1 University Avenue, 3rd Floor, Toronto, Ontario, Canada, M5J 2P1.

Beneficial holders who wish to deposit Preferred Shares under the Offers should immediately contact their investment dealer, stock broker, commercial bank, trust company or other nominee in order to take the necessary steps to be able to deposit their Preferred Shares under the Offers.

The Offers are not to be made to, nor will tenders be accepted from or on behalf of, holders of Preferred Shares in any jurisdiction in which the making or acceptance of offers to purchase Preferred Shares for 2030 Notes would not be in compliance with the laws of that jurisdiction. None of Aimia, its Board of Directors or TD Securities Inc. makes any recommendation to shareholders as to whether to tender or refrain from tendering any or all of their Preferred Shares to the Offers. Shareholders are urged to read the Offer Documents, when available, carefully and in their entirety, and to consult their own financial, tax and legal advisors and to make their own decisions with respect to participation in the Offers.
