Forward-Looking Statements

This press release contains statements that constitute “forward-looking information” within the meaning of Canadian securities laws (“forward-looking statements”), which are based upon our current expectations, estimates, projections, assumptions and beliefs. All information that is not clearly historical in nature may constitute forward-looking statements. In some cases, forward-looking statements are typically identified by the use of terms such as “expects”, “expected” and “intends.” Forward-looking statements in this press release include, but are not limited to, statements with respect to our current and future plans, expectations and intentions.

Forward-looking statements, by their nature, are based on assumptions and are subject to known and unknown risks and uncertainties, both general and specific, that contribute to the possibility that the forward-looking statements will not occur. The forward-looking statements in this press release speak only as of the date hereof and reflect several material factors, expectations and assumptions. Undue reliance should not be placed on any predictions or forward-looking statements as these may be affected by, among other things, changing external events and general uncertainties of the business. A discussion of the material risks applicable to us can be

found in our current Management Discussion and Analysis and Annual Information Form, each of which have been or will be filed on SEDAR+ and can be accessed at www.sedar.com. Except as required by applicable securities laws, forward-looking statements speak only as of the date on which they are made and we disclaim any intention and assumes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.
